Wisconsin Medicaid will begin accepting the new American Dental Association (ADA) claim form, the ADA 2006, as of January 1, 2007. This *Wisconsin Medicaid and BadgerCare Update* provides a sample completed ADA 2006 claim form, along with Wisconsin Medicaid-specific completion instructions. Until further notice, providers may continue to submit claims on the ADA 2002 and 2000 claim forms in addition to the ADA 2006.

ADA 2006 Claim Form Accepted by Wisconsin Medicaid

Effective January 1, 2007, Wisconsin Medicaid will accept the American Dental Association (ADA) 2006 claim form. Refer to Attachments 1 and 2 of this *Wisconsin Medicaid and BadgerCare Update* for the ADA 2006 claim form completion instructions and sample claim.

Wisconsin Medicaid's claim instructions vary from the ADA instructions. The variations are necessary for Wisconsin Medicaid to process claims. Providers are required to complete the elements in the Wisconsin Medicaid instructions found in Attachment 1. No other claim form elements are required.

In addition, providers are not required to include attachments to the claim form unless instructed

to do so in Wisconsin Medicaid dental publications.

This *Update* contains Medicaid fee-for-service information and applies to providers of services to recipients who have fee-for-service Medicaid or to recipients enrolled in Medicaid HMOs that do not provide dental coverage. For Medicaid HMO or managed care policy, contact the appropriate managed care organization. Wisconsin Medicaid HMOs are required to provide at least the same benefits as those provided under fee-for-service arrangements.

The *Wisconsin Medicaid and BadgerCare Update* is the first source of program policy and billing information for providers.

Although the *Update* refers to Medicaid recipients, all information applies to BadgerCare recipients also.

Wisconsin Medicaid and BadgerCare are administered by the Division of Health Care Financing, Wisconsin Department of Health and Family Services, P.O. Box 309, Madison, WI 53701-0309.

ADA 2006 Claim Form Completion Instructions for Dental Services

Use the following claim form completion instructions, *not* the element descriptions printed on the claim form, to avoid denied claims or inaccurate claim payment. Complete all required elements as appropriate. Do not include attachments unless instructed to do so in Wisconsin Medicaid dental publications.

Wisconsin Medicaid recipients receive a Medicaid identification card upon being determined eligible for Wisconsin Medicaid. Always verify a recipient's eligibility before providing nonemergency services by using the Medicaid Eligibility Verification System (EVS) to determine if there are any limitations on covered services and obtain the correct spelling of the recipient's name. Refer to the Provider Resources section of the All-Provider Handbook or the Medicaid Web site at dhfs.wisconsin.gov/medicaid/ for more information about the EVS.

Except for a few instances, Wisconsin Medicaid is the payer of last resort for any Medicaid-covered service. This means the provider is required to make a reasonable effort to exhaust all existing commercial health insurance sources before billing Wisconsin Medicaid unless the service is not covered by commercial health insurance. Wisconsin Medicaid uses Element 11 to identify Medicare and commercial health insurance information, whether the recipient has commercial health insurance coverage, Medicare coverage, or both. Refer to the July 2003 *Wisconsin Medicaid and BadgerCare Update* (2003-50), titled “Changes to local codes, paper claims, and prior authorization for dental services as a result of HIPAA,” (Attachments 6-13) for the following information:

- Wisconsin Medicaid commercial health or dental insurance explanation codes for use in Element 11 (Attachment 6).
- Medicare disclaimer codes (Attachment 7).
- A key to Wisconsin Medicaid’s seven commercial health insurance indicators for use when a recipient’s eligibility is confirmed in the EVS (Attachment 8).
- When the EVS indicates the code “DEN” for “Other Coverage,” a list of procedure codes for claims for which commercial dental insurance must be billed prior to billing Wisconsin Medicaid (Attachment 9).
- When the EVS indicates the code “HMO” for “Other Coverage,” a list of procedure codes for claims for which commercial dental insurance must be billed prior to billing Wisconsin Medicaid (Attachment 10).
- When the EVS indicates the code “VIS” for “Vision Only,” providers are not required to bill private insurance.
- When the EVS indicates the codes “BLU,” “WPS,” “CHA,” “HPP,” or “OTH” for “Other Coverage,” a list of procedure codes for claims for which commercial dental insurance must be billed prior to billing Wisconsin Medicaid (Attachment 12).
- When the EVS indicates the code “SUP” for “Medicare Supplement,” providers must bill commercial insurance for Medicare-allowed services only (Attachment 11).
- Appropriate provider responses to special circumstances when billing commercial health or dental insurance prior to billing Wisconsin Medicaid (Attachment 13).

Recipients with commercial health or dental insurance coverage

Commercial health or dental insurance coverage must be billed prior to submitting claims to Wisconsin Medicaid, unless the service does not require commercial health insurance billing as determined by Wisconsin Medicaid. Commercial health insurance coverage is indicated by the EVS under “Other Commercial Health Insurance.”

When commercial dental or health insurance paid for some services

When commercial dental or health insurance paid only for some services and denied payment for the others, Wisconsin Medicaid recommends providers submit two separate Medicaid claim forms. To maximize Medicaid reimbursement, one claim should be submitted for the partially paid services and another for the services denied by commercial dental or health insurance.

Recipients with Medicare coverage

Submit claims to Medicare before submitting claims to Wisconsin Medicaid.

Do not enter a Medicare disclaimer code in Element 11 when one or more of the following statements is true:

- Medicare never covers the procedure in any circumstance.
- Wisconsin Medicaid indicates the recipient does not have any Medicare coverage including Medicare Cost (“MCC”) or Medicare + Choice (“MPC”) for the service provided. For example, the service is covered by Medicare Part A, but the recipient does not have Medicare Part A.

- Wisconsin Medicaid indicates that the provider is not Medicare enrolled.
- Medicare has allowed the charges. In this case, attach the Explanation of Medicare Benefits, but do not indicate on the claim form the amount Medicare paid.

If none of the previous statements are true, a Medicare disclaimer code is necessary. Refer to Attachment 7 of *Update 2003-50* for a list of Medicare disclaimer codes.

Recipients with both Medicare and commercial dental or health insurance

Use both a Medicare disclaimer code (e.g., “M-5”) and an other insurance explanation code (e.g., “OI-P”) when applicable.

Note: The other carrier’s address, city, state, and ZIP code are not required.

POLICYHOLDER/SUBSCRIBER INFORMATION (For Insurance Company Named in #3)

Element 12 — Policyholder/Subscriber Name (Last, First, Middle Initial, Suffix), Address, City, State, Zip Code

Enter the recipient’s last name, first name, and middle initial. Use the EVS to obtain the correct spelling of the recipient’s name. If the name or spelling of the name on the Medicaid identification card and the EVS do not match, use the spelling from the EVS. The recipient’s address, city, state, and ZIP code are not required.

Enter the recipient’s birth date in MM/DD/CCYY format.

Do not include the Wisconsin Medicaid copayment amount. *If the commercial health or dental insurance plan paid on only some services, those partially paid services should be submitted on a separate claim from the unpaid services to maximize reimbursement.* This allows Wisconsin Medicaid to appropriately credit the payments.
